BACKGROUND AND DISCUSSION

As per the direction of the Council a tender document and pertinent drawings and specifications was prepared by Engineering Department for the Tender No. ES.02.2020 Veterans Cr.: Hill Ave. to Veterans Ave. Watermain Replacement & Roadway Reconstruction Project was issued on June 9, 2020. Hard copies of the Tender document were made available at the city hall for local contractors and the tender was posted at SASKTENDERS and MERX. The Tender closed on June 23, 2020.

COMMUNICATION

The City of Estevan is proposing to undertake a Watermain Replacement & Roadway Reconstruction Project from Hill Ave. to Veterans Ave. consisting of approximately 210m long watermain and roadway works. It was proposed to install a concrete sidewalk to be installed on the south side of the roadway. However, due to opposition from the resident in the vicinity it was cancelled.

The tender document stipulates that the project to start on July 13, 2020 and completion date is set for August 3, 2020. Upon Council approval of Tender ES.02.2020 Engineering Department is to start making the following arrangements.

- Call for a preconstruction meeting
- Public announcement of the project

All pre-construction arrangements to be completed prior to July 13, 2020. It is hoped that the project is complete on time, however, if more time than planned is required due to weather or other events the schedule will be reset accordingly.

DELEGATED AUTHORITY

Project tender award require the approval of City Council.

Respectfully submitted,

Kiflom Weldeab, P. Eng

City Engineer
