

AGENDA
SPECIAL COUNCIL MEETING
August 27, 2020 at 12:00 pm

Mayor Ludwig has called a Special Meeting to discuss:

1. REPORTS AND COMMUNICATION

- a) Public Works Manager Landfill Compactor Tender

ADJOURNMENT

August 24, 2020

TO: His Worship the Mayor,
Members of Council

FROM: Norm Mack, Roads & Drainage Manager

RE: 2020 Landfill Compactor Tender

RECOMMENDATION

The City of Estevan purchase a new 2020 Cat 816K HRC Landfill Compactor from Finning Cat at a price of \$629,218.91 plus applicable taxes. This price includes a 5-year or 3,000 hour extended warranty. The 816K Compactor has meant all of our specifications outlined in the City of Estevan 2020 Landfill Compactor Tender Package. Finning was 1 of 2 companies that competed in the tender process. The other competing tender bid was SMS Equipment of Saskatoon quoting on a Bomag Compactor with hydrostatic drive very similar to our existing troubled Unit. SMS Equipment tender did not meet some of the City of Estevan's specifications and requirements there for disqualifying them from the competition. The Cat 816K HRC Compactor can be serviced right here in Estevan with no travel expenses and parts are easily accessible at the local dealership.

CONCLUSION

The new Cat 816K Compactor is 44 days from delivery once the order has been placed as stated by Finning. The Cat 816K Compactor would replace our existing 2010 Bomag Compactor that currently has a non-repairable engine and riddled with many other problems in the past. Compaction at our Municipal Landfill is a requirement by the Ministry of Saskatchewan Environment thus deeming this piece of equipment essential to the City of Estevan's fleet of equipment.

BACKGROUND AND DISCUSSION

The City of Estevan will be actively looking to salvage any parts or sell in its entirety the 2010 Bomag Compactor to recoup some of the costs for the purchase of a new machine.

The following are the tenders that were received:

Name of Company		
Finning	\$629,218.91	4.0% Finance
SMS Equipment	\$616,000.00 DNQ	4.9% Finance

RECOMMENDATION IMPLICATIONS

Financial

The 2020 816K Cat Landfill Compactor was not a budget item for 2020 but will alter our future plans for our Fleet Renewal program to accommodate this purchase. The City Treasurer will investigate our best options for financing this piece of equipment. The Tender asked for a 5-year lease program with a \$1.00 dollar buy out at the end of the program.

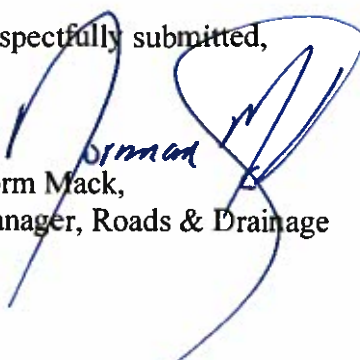

COMMUNICATION

The tender opening was open to all participants on Friday August 21, 2020 @ 2:30 pm in City of Estevan Council chambers with the two bidding companies submitting sealed tenders. The City of Estevan 2020 Landfill Compactor Tender was also posted on the City of Estevan website, Saskatchewan Tenders and MERX websites for an open fair competition. This report will be available to the public and on the City's website.

DELEGATED AUTHORITY

The recommendation of this report requires City Council approval.

Respectfully submitted,

Norm Mack,
Manager, Roads & Drainage

Jeff Ward
City Manager
